Webinar: Attachment

Tuesday, March 30th, 2010 9:30-11:00

Internet and phone connections are required to participate in this free webinar.
Please log onto the website by 9:15 am (details provided on registration)

Description:

This free webinar will explore attachment and how it can be supported and promoted between parent or caregiver and young children. The impact of poor or insecure attachment on a child's development will be discussed. Presenters will share strategies that can be used by Healthy Babies Healthy Children staff to support the attachment relationship essential for optimal early development.

Audience:

This webinar is intended for HBHC Public Health Nurses and HBHC Lay Home Visitors. It will offer practical suggestions for Public Health Nurses in key areas of their work.

Speakers:

Dr. Chaya Kulkarni and Dr. Jean Wittenberg, Infant Mental Health Promotion (IMP), Hospital for Sick Children
