

Perinatal Mood Disorders

Tuesday, February 10, 2009

7:30 a.m. to 8:30 a.m.

Presenters

Hiltrud Dawson, Health Promotion Consultant, Best Start by Health Nexus

Diane de Camps Meschino, MD FRCPC, Programme Leader, Reproductive Life Stages

Programme, Women's College Hospital and Department of Psychiatry, University of Toronto

Program Description

This interactive session presents differing perspectives on perinatal mood disorders through video representation of case scenarios. Participants are encouraged to reflect on their own personal experience and share their insights so that the group's cumulative knowledge can be expanded.

Intended Learning Outcomes:

Participants will:

1. Increase their knowledge of perinatal mood disorders
2. Improve their ability to assess, screen, diagnose, treat and support clients with perinatal mood disorders
3. Explore additional education resources

Target Audience:

Family Physicians, Midwives, Public Health Nurses, Paediatricians, Obstetricians

Videoconference Delivery Locations:

E252 Boardroom, Women's College Hospital
Ontario Telehealth Network VC rooms

Medical School East Campus, room 107
Balmoral Centre, Room 1014/16, Lakehead
University

This program meets the accreditation criteria of the College of Family Physicians of Canada and has been accredited for up to 1 Mainpro-M1 credits. This event is an accredited group learning activity (section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada and has been approved as 1 hour.
