We serve Urban Aboriginal Families in the Ottawa area. Our program focuses on children ages 0-6. We support and foster healthy child development (spiritual, mental, social, and emotional) with an emphasis on the promotion of cultural development and child advocacy. We are a parent cooperative program, which promotes positive parenting skills through hands-on involvement in children's activities and traditional teachings.

*"There are two lasting  
bequests we can give to our  
children. One is roots, to keep  
them grounded. The other is  
wings to help them soar."
