Women's shelters in Ontario

Does your partner...

- hit or kick you?
- hurt your breasts, belly or
between the legs?
- force you to have sex?

**If you said YES to any
of the above questions,
you and your baby
may be in DANGER.**

02/2013

You and your baby...

Are YOU and your baby safe?

Does your partner...

- yell at you?
- call you names?
- blame you for being pregnant?
- break your things?
- hurt or kill your pets?
- threaten to hurt you?
- always need to be in charge?
- keep you from seeing your friends or family?
- keep you from seeing your doctor or midwife?
- control what or how much you eat?
- control the money?
- threaten to take the kids away?

**This is EMOTIONAL abuse.
It can lead to physical abuse.
All kinds of ABUSE can hurt you.**

Abuse during pregnancy can cause you to:

- feel sad and alone
- feel anxious
- feel bad about yourself
- have pain and injuries
- turn to alcohol and drugs
- not eat or sleep well
- lose your baby

...and cause your baby to:

- be born too small
- be born too early
- be stillborn
- have injuries or infections
- have later health problems
- be abused after birth

**Abuse can cause RELATIONSHIP
problems between you and baby.
PROTECT yourself and your baby.**

What you can do...

- tell someone you trust what is going on
- find people to help you
 - friends and family
 - your doctor or midwife
 - your prenatal educator
 - a public health nurse
 - a counsellor
 - a shelter for women
- if possible, have an emergency escape plan
- get help to leave the abusive relationship

Check the front of your phone book
for distress centres in your area.

**ABUSE usually
gets worse over time.
It will not STOP
when your baby is born.**

**Talk to someone
you TRUST.
There is support.
You are not alone.**
